work experience

2013-Present	**Founder and Director, The Bigger We**
Beirut, Lebanon	Consulting, Coaching, Mentoring, Facilitation & Transformational Leadership Development. Leadership Coaching & Training. Certified co-active coach (CPCC), coached entrepreneurs, managers & executives on Leadership Development. Co-created leadership development programs for Managers and Teenagers.
2025-Present	**CoFounder, Genovation**
Athens, Greece	Project Management consulting cooperative, specialized in fintech programs, with wide experience on the Murex Software implementation. Provides Consulting, Staff augmentation on direct implementation & Strategic Advisory
2014-2016	**Regional Manager, Customer Delivery Services (CDS), Murex Systems**
Beirut, Lebanon	In charge of the Murex projects portfolio in the Middle East (Turkey and the GCC) **~ 100M$** Escalation point and client manager during the project's implementation time (2 years+). Coached and managed project managers and accompanied project teams in the delivery process. Created Project Management Framework and Project Managers Competencies Set. In charge for the pre-sales proposals (contracts, estimations and project methodology & approach).
2011-2014	**Project Manager, Customer Delivery Services (CDS), Murex Systems**
Beirut, Lebanon	Managed **teams of 15+** consisting of business analysts, architects and consultants, to deliver complex and strategic turnkey implementation (budget of **~10 to 20M$**), aiming at revamping the treasuries of **leading banks in the Middle East and the Gulf** (Audi Bank Lebanon, GIB Bahrain, ADCB Abu Dhabi, FGB Abu Dhabi, Burgan Bank, Turkey, Akbank Turkey, YAPI Turkey). **Principal point of contact** for the bank's executive committee, managers and sponsors, reporting to stakeholders.
2007-2011	**Project Manager, Customer Delivery Services (CDS), Murex S.A.S**
Paris, France	Managed and delivered a key Murex implementation **(40 FTE, 100M$)** to LCH Swapclear London (top 1 clearing house on swaps market), from client relationship management to solution design and development. The project was closely monitored by the global financial community as it impacts + 50% of the Interest Rate Swap market worldwide. The project was a success which led to an "excellent partnership" between Murex and the client. Coordinated internally the first PMO cell in Murex, responsible for building project management tools and controlling project quality. Founding member of the customer delivery services. Managed and delivered integration streams for different european clients (BNP Paribas, SEB, EOS etc.), including India off-shoring.
2004-2007	**Product Support Consultant, Integration Team, Murex S.A.S**
Paris, France	Software developer & customer support coordinator on Murex Integration API Products.
